bergo
FLOORING

The Ultimate™ (System4-series) offers sports flooring with easy installation without hammer, 200% faster installation compared to many other floor tiles, integrated expansion solution and built-in lines. Less painting! Ultimate is available in two versions, Bergo Ultimate™ and Bergo Ultimate Plus™, specially developed to meet different needs.

Underside

BERGO ULTIMATE™, 375 x 375 x 12 mm
SYSTEM 4, ART NO. 113__95X

BERGO ULTIMATE™

Bergo Ultimate™ is an all-round sports tile for most sports.

Bergo Ultimate™ is tested and approved according to the important European standard EN14877 for outdoor floors. Bergo Ultimate™ fulfils ALL requirements.

The floor is an approved tennis court surface and classified by the ITF as "fast".

Please check out www.bergoflooring.com/product for the latest colour options!

Underside

BERGO ULTIMATE PLUS™, 375 x 375 x 12 mm
SYSTEM 4, ART NO. 113__96X

BERGO ULTIMATE PLUS™

Bergo Ultimate Plus™ is one of the strongest floor tiles on the market and is extremely load-resistant and a heavy-duty solution. Bergo Ultimate Plus™ is developed to handle the tougher sports such as inline hockey, roller skating etc.

Bergo Ultimate Plus™ is one of the few floor tiles in the world that has been tested and approved in all categories and is certified by FIBA.

Bergo Ultimate PLUS™ is tested and approved according to the important European standard EN14877 for outdoor floors and meets ALL requirements. The floor also passes the tests for "Rolling loads" (EN1569) and "Impact resistance" (EN1517).

The floor is an approved tennis court surface and classified by the ITF as "fast".

Line Strip Edge-piece is used with the Edge Strips as ending of a row with Line Strips.

Line Strips are used for making lines in different colours or/and making the court in the preferred size. Line Cross-piece is used as two lines of Line Strips intersect with each other.

EDGE STRIP 375 x 60 mm - By using Bergo Edge strips and Corner strips you will give the floor an attractive and safe finish.

- Pickleball
- Badminton
- Tennis
- POP-tennis
- Volleyball
- Floorball
- Handball
- Field hockey
- Netball
- Aerobics
- Playground

FAST, ECONOMICAL SOLUTION

bergo®
FLOORING

Bergo Sports Flooring is easy to lay and can be placed on an existing surface without fasteners such as glue, screws or nails.

SUBFLOOR

Concrete or asphalt as sub ground is recommended, but Bergo Sports Flooring can also be installed on hard compressed sand / stone powder.

Bergo Geotextile
Hard compressed
stone powder 3 cm

Macadam 10 - 32 mm

Macadam 32-63 mm

Drainage Pipe

QUICK INSTALLATION

Bergo Sports Flooring can as an option be supplied as pre-assembled sheets or/and as single tiles, which means that the floor can be laid very quickly.

We offer complete systems including court markings, etc. Contact us for more details.

MINIMAL MAINTENANCE

BERGO requires virtually no maintenance. Normal floor care such as occasional wet cleaning, vacuuming and/or power hosing is usually all that is needed. The flooring system is without doubt a cost saving alternative to high maintenance floors/coatings.

Bergo Multifix

Bergo Multifix is a well-tested cleaning agent for heavily soiled Bergo floors. Most cleaning agents can be used to remove dirt, but some are especially suited for composites.

EQUIPMENT

THIS IS BERGO

Bergo is the original since 1972 and with 50 years of experience, Bergo Flooring is the world leader in multi-functional floor tiles. All production is proudly made in Sweden with the highest quality.

WHAT WE DO

We make ECO-friendly, award-winning floor tiles specially developed for various applications within five different business areas: HOME, PUBLIC, EVENT, SPORT & MARINE.

WHY CHOOSE BERGO

Bergo is pure, functional design. A Bergo floor solves many problems thanks to the ventilating and flexible design and is particularly suitable for installations on damp surfaces, but also on uneven subfloors. Our products are available in a wide range of colors, harmoniously coordinated.
